# ABOUT COLLIDE CONFERENCE

Partner with us as we create a space where heaven and earth collide!

## So! What is Collide Conference?

The Collide Conference is a multi-church young adults conference in Winnipeg, Manitoba that exists to create an atmosphere where young adults make space for God to move in their lives and lead them to find truth, identity and purpose in Him. The Collide Conference is a two day, high-energy event with passionate worship and creative moments, featuring premiere communicators from across Canada and the US!

During these two days we will bring worship, teaching and moments of pausing as people experience Jesus, are challenged in their faith, and given practical ways to take Jesus into their everyday lives.

## Who organizes Collide Conference?

Collide Conference is a collaborative event organized by leaders in Winnipeg.

## Who attends Collide Conference?

Collide is a young adult movement of individuals in their 20s and 30s who want to gather in community to experience Jesus together. This is our second year of hosting Collide Conference and we are anticipating 1,000+ young adults to be joining us, along with Pastors, leaders and volunteers!

## Our Vision For Our Partners

It is our hope that the partners of Collide Conference would have a world class experience while at the conference and that their cause would be promoted to its full potential. It is our vision that our partners would think outside the box to promote their organization in creative and unique ways in order to call this generation to something greater.
